

Placer Series

Reciprocating Placer

Overview

Thiele Reciprocating Placers are designed for versatility, accuracy, and consistency. Repeatable setups, quick-change hoppers, and tool-less changeovers make them the most user friendly machines in the market-place today. Heavy-duty construction provides many years of service. Completely configured to order, you can be assured that Thiele will fit your application perfectly.

Pull and place products including literature, CDs/DVDs, die cut cards, embossed items, irregular shaped items, pouches, stickers, pizza rounds, and so much more. Single and dual side plate Reciprocating Placers with speeds up to 65 cycles per minute.

Standard Features
